Introduction to
Management Consulting
by Emory University and
offered through Coursera

Objective

An Industrial Engineering student, I am eager to pursue a challenging career in a reputable, fast-paced organization that aligns with my field of study. I seek an opportunity that allows me to apply my knowledge, skills, and interpersonal abilities while contributing to shared goals and enhancing my personal development in a dynamic and motivating environment.

Education

University of Business and Technology | GPA: 4.91/5
Bachelor's degree of Industrial Engineering

Experience

DECEMBER 2023 – JANUARY 2024

Volunteer | National Center for Non-Profit Sector

- Assisted in identifying and repairing damaged copies of the Quran in various mosques, for community use.
- Participated in outreach initiatives by distributing educational booklets to pilgrims, enhancing their understanding of the Quran and its teachings.
- Worked collaboratively with a dedicated team of volunteers to organize and execute community events, fostering a supportive environment for participants.
