

SADEEM ALESSA

Riyadh, Saudi Arabia • Sadeem.alessa9@gmail.com [+966 552477375](tel:+966552477375)

Enthusiastic senior law student at King Saud University, driven by a passion for legal studies and a commitment to applying theoretical knowledge in practical scenarios. Actively seeking opportunities to enhance legal skills in real-world settings. Adept in legal research, analysis, and communication, with a keen interest in contributing to a legal team and making a positive impact while growing professionally.

EXPERIENCES

2022 **Legal Associate**

Raydat Law Firm

- **Case Research & Analysis:** Assisted attorneys in conducting legal research across a variety of cases, focusing on corporate and civil law. Provided case summaries and reports that informed legal strategies.
- **Document Drafting:** Gained hands-on experience in drafting legal documents, including contracts and agreements, ensuring compliance with Saudi regulations.

2023 **Legal Intern**

Faisal Aldohaim Law Firm

- **Legal Documentation:** Collaborated with senior attorneys to prepare legal briefs, contracts, and defense memoranda, ensuring that documents were accurate, legally sound, and in compliance with court requirements.
- **Case Preparation:** Assisted in the preparation of defense and prosecution cases by conducting in-depth legal research, organizing supporting documents, and drafting case summaries.

2024 **Summer Internship**

Ben Arafa Law Firm

- **Collaboration & Teamwork:** Worked closely with attorneys, paralegals, and support staff on case preparation. Contributed to strategy meetings by providing research insights and helping draft case arguments.
- **Court Procedures:** Attended court hearings to gain an understanding of legal proceedings and court protocol, observing the roles of attorneys and judges in trial settings.

2024 **Project Manager and Founder**

Simulation Mock Trial

- **Project Leadership:** Led a simulation project aimed at providing law students with hands-on advocacy experience. Oversaw all aspects of project management, from planning to execution, ensuring that all participants were fully engaged in the mock trial experience.
- **Team Coordination:** Assigned roles and responsibilities to a team of law students, ensuring effective collaboration and that deadlines were met for each phase of the project.
- **Case Scenario Development:** Developed complex legal case scenarios for the mock trials, focusing on civil and criminal law to provide participants with realistic courtroom experiences.
