EDUCATION

BACHELOR'S DEGREE Law
King Saud University
Riyadh | Scholastic Honor
Current GPA 4.56 out of 5

PROJECTS

Throughout my academic journey, I have studied many laws and looked at different legal cases such as, International, Subject, and Territorial jurisdiction in Law of Procedure Before Sharia Courts, Contract and its elements, and The probative value of Comparison in judicial rulings. This has helped me understand how the legal system works and how laws are used in real-life situations. By reviewing various cases, I have improved my thinking skills and learned more about the challenges and solutions in different areas of law.
