

## **SUMMARY**

I'm a law student with a very good GPA that reflects my passion and interest in the field of law. I have an excellent proficiency in english language including speaking, writing and reading; which allows me to deal with laws and legal texts with great flexibility. I have a decent knowledge of labor law and pay special attention to contracts drafting, i also have an interest in commercial law, and I look forward to gain more knowledge about the field of law and develop my skills, and exploring new opportunities.
