SUMMARY

I am a student about to graduate with a degree in Public Relations and Marketing Communication from the Faculty of Media and Communication, I am constantly striving to develop myself and stay updated on the latest developments in my field as well as in various other areas. I excel at hard work, creative thinking, and innovation. I am looking forward to joining a training organization that will allow me to refine my skills and gain new knowledge and experiences in my field by applying the academic and scientific knowledge and skills I have acquired to achieve shared goals.

EDUCATION

Imam Mohammad Ibn Saud Islamic University, Bachelor's Degree in Public Relations.

GPA: 4.96
