SUMMARY

I am a highly motivated finance student with a strong focus on business banking. Proven experience in financial analysis, investment strategies, and leadership roles through active participation in Ejad Club and Finance & Investment Club. Skilled in financial modeling, portfolio management, and teamwork, with a passion for driving financial success in diverse business environments. Dedicated to continuous learning and leveraging practical knowledge to make impactful contributions in the finance industry.

EXPERIENCE

Finance & Investment Students Club | IMSIU

Head of HR | September 2024 – Present.

- Developed and executed comprehensive recruitment strategies that successfully attracted high-caliber finance professionals, analysts, and top-performing students to the Finance & Investment Club.
- Led a complete restructuring of the club, enhancing organizational efficiency and improving role distribution among members. This restructuring resulted in increased productivity and clearer communication between teams.
- Launched internal communication initiatives that strengthened team collaboration and transparency. Organized regular workshops and communication sessions, leading to better member interaction and quicker decision-making processes, which enhanced overall club efficiency.

Ejad Students Club | IMSIU

Club Consultant | November 2024 – Present.

- Provide strategic guidance to support the club's growth and alignment with its mission and vision.
- Advised on operational improvements and member engagement initiatives, resulting in measurable impact on overall performance.
- Collaborate with leadership to design and implement programs that enhance the club's visibility and influence.

Board Member | April 2024 – Present.

- Contribute to shaping the strategic direction and governance of the club to ensure sustainability and efficiency.
- Participate in decision-making processes, offering insights on financial planning, project prioritization, and stakeholder management.
- Oversee the execution of club initiatives, ensuring alignment with organizational goals.

Community Leader | May 2024 – November 2024.

- Managed and mentored team members, resulting in stronger community engagement and leadership development.
- Collaborated with local organizations to deliver impactful community service programs that benefited the broader student and local community.

Committee Leader | October 2022 – May 2024.

- Led and managed committee projects, delegating tasks to ensure timely completion and maintaining high-quality outcomes for each initiative.
- Coordinated with other committees to ensure seamless event execution and to enhance community involvement.

EDUCATION

Imam Mohammed Ibn Saud Islamic University | Saudi Arabia

Bachelor's Degree in Business Administration - Finance | Expected Graduation: 2025 July.
