SUMMARY

Results-driven management graduate with expertise in operations management, project and strategic management. Skilled in critical thinking and decision-making, complemented by certifications in risk management and organizational design. Proven ability to enhance processes and foster teamwork through practical projects and active community involvement.

EXPERIENCE

Despite my limited prior experience, I possess a strong desire to contribute positively to the workplace, leaving a meaningful impact and attaining notable achievements. I am adept at swiftly adapting to diverse work environments and accomplishing new goals.
