AZZAM FAYEZ AL-SAEDI

STUDENT, HUMAN COMPUTER INTERACTION

Makkah,Saudi Arabia   azzamfiaz00@gmail.com   0537394004

SUMMARY

As a student in the Human-Computer Interaction (HCI) program at Umm Al-Qura University, I am dedicated to developing my skills in creating intuitive and user-friendly digital experiences. Through my coursework, I have gained a strong foundation in user research, interaction design, and usability testing. I am eager to apply my knowledge and skills in a practical setting and contribute to the success of your organization.

My passion for HCI has driven me to continuously improve my design capabilities, with proficiency in Figma for wireframing and prototyping. Additionally, I am well-versed in the Microsoft Office suite, which allows me to effectively communicate and collaborate on project-related tasks. I also possess basic skills in Adobe Photoshop, enabling me to enhance the visual aspects of my designs.

I am confident in my ability to adapt to new challenges and learn quickly. I am excited about the prospect of joining your team and contributing to the development of innovative and user-centered solutions.
