PROFESSIONAL EXPERIENCE

cybersecurity governance intern
Saudi payments
2024/06 – 2024/08
   Role includes assisting with the implementation and maintenance of the Governance, Risk, and Compliance (GRC) framework, ensuring adherence to regulatory requirements and industry standards, including **SAMA CSF, ISO 27001, and six NCA standards**. I supported the development of policies and procedures related to information security and data protection in line with the **PDPL** and collaborated with cross-functional teams to identify compliance gaps and recommend corrective actions. Additionally, I participated in internal audits and assessments, documenting findings and aiding in the preparation of reports for senior management.

VOLUNTEER WORK

President of the Management Committee for the Robotics and Innovation Club
PNU Student Clubs
