Musaad Alzamil

SOFTWARE ENGINEERING (CYBERSECURITY)

Riyadh, SA | +966555965185 | Malzamil05@gmail.com | LinkedIn in

Professional Summary

Passionate Software Engineering student with a Cybersecurity track, actively seeking co-op training opportunities to apply and broaden my technical expertise across diverse IT domains. Demonstrated leadership as President of the Nubader Club at Prince Sultan University, where I developed strong project management, teamwork, and communication abilities. Proficient in software development, cybersecurity, and problem-solving, with a commitment to continuous learning and adaptability. Eager to contribute to innovative projects, support organizational objectives, and grow professionally in dynamic, challenging environments.

Education

Prince Sultan University, [Riyadh, SA]

Bachelor of Software Engineering (Cybersecurity Track)   Jan, 2021 - July, 2025

Summary of Specialized Studies
- Cybersecurity Fundamentals and Protocols
