Nawaf Almughairi

namughairi@gmail.com

As a dedicated and passionate cybersecurity student, I am eager to contribute to protecting digital environments and ensuring the security of information systems. With a strong interest in new technologies, I am committed to supporting organizational security efforts and providing proactive solutions in the ever-evolving cybersecurity landscape.

EDUCATION

University of Jeddah

College of Computer Science and Engineering - Bachelor of Cyber Security

GPA: 4.55/5.00

Expected May 2025

COURSES

- **Certified Network Defender (CND)** – University coursework
- **Certified Ethical Hacker (CEH)** – University coursework
- **Certified Security Analyst (CSA)** – University coursework
- **Computer Hacking Forensic Investigator (CHFI)** – University coursework
- **Junior Penetration Tester (JPT)** – Certificate from TryHackMe
- **CompTIA Security+**

ADDITIONAL EXPERIENCE

- **CTF Player**
Engaged in solving cybersecurity challenges, including reverse engineering, cryptography, and web security. Enhanced critical thinking and teamwork skills in high-pressure environments.
