EXPERIENCES AND VOLUNTEER WORK

NAZAHA CLUB

Human Resources Committee

- I managed and was responsible for the club's law department, and I prepared their voluntary certificates and also followed up on their work periodically to remind them to register their important information and follow up on the club's work.

Vision 2030 Club

Event Management and Logistics

- In this department, I was responsible for communicating with several parties, for example companies or institutions, to hold or coordinate an event within the club, as well as for logistical services to complete any deficiency in the club's needs in general.

Social Cultural Club

Writing and Reporting Department

- I was the Deputy Administrative Manager at the Cultural and Social Club in the Writing and Reports Department. Our work in this department focused on preparing reports on events, writing event content, issuing certificates, and keeping members' data.
