

Monera Alshaeifi

CyberSecurity

Riyadh, Saudi Arabia | Malshaeifi1@gmail.com | +966558996363 | linkedin.com/in/monera-alshaeifi

Profile

Cybersecurity student with a strong passion for continuous learning and professional growth. My relentless pursuit of knowledge in the field drives me to explore new concepts and technologies constantly. I am particularly interested in the domains of cybersecurity, ethical hacking, incident response, and network security. With a solid foundation in problem-solving and a proactive approach to learning, I am eager to take on new challenges and contribute meaningfully to cybersecurity-driven environments.

Education

Bachelor of Science in Cybersecurity 2021/07 – 2025/06
Princess Norah bint Abdulrahman University
GPA: 4.83

Skills

Soft skills — Problem-Solving, Resilience, Communication, Collaboration, Research, Critical Thinking, Volunteering.
Technical skills — Cybersecurity, Ethical hacking, Java, HTML, CSS, UI/UX Design, Networking, Nmap, Microsoft Excel, Microsoft Word, Canva.

Volunteering Experience

Member in Cyber Security Club - Organizing Committee 2023/09 – 2024/08
- Organizing cybersecurity events and workshops to promote students participation and awareness.

Member of Ajyalna Alwaidah 2023/08 – 2024/08
- Guide new students in college of Computer and Information Sciences at PNU

Courses

Cybersecurity Fundamentals | IBM SkillsBuild 2024/07

Cybersecurity and Mobility | University System of Georgia through Coursera 2024/05

Ethical Hacking Essentials (EHE) | EC-Council 2024/03

Networking Essentials | Cisco Networking Academy program 2023/09

Projects

DDOS Attack Analysis Using Machine Learning 2024
- Study and analyze DDOS attack dataset to determine normal-attack traffic.
- Use machine learning algorithms SVM, RF, DT, and LR.

IoT - Qaimni Arduino-Based System 2024
- Implement cost-effective solution to enhance accidents reporting assessment.
- Secured 2nd place at Princess Nourah University Innovation Center.
