### Certifications

**Machine Learning A-Z: AI, Python & R + ChatGPT Prize** Nov 2024

Udemy  
Gained hands-on experience in machine learning concepts, algorithms, and implementation using Python and R, including real-world projects.

**Data Analysis: SQL, Tableau, Power BI & Excel** Oct 2024

Udemy  
Mastered data analysis techniques and tools, including SQL for querying databases, Tableau and Power BI for visualization, and Excel for advanced data manipulation.

**Oracle APEX Developer Professional** Jan 2024

Oracle  
Developed expertise in Oracle APEX for building web applications, including database design, application customization, and deployment.

### Languages

- Arabic: Native
- English: Advanced

### Profile

I'm a Data Science student with a deep passion for data analysis, machine learning, and deep learning. Actively seeking a cooperative training opportunity to apply and expand technical expertise in a dynamic, real-world environment, while contributing to meaningful data-driven projects.

### Education

**Bachelor of Science in Data Science** 2022-2026

Umm al-Qura University  
Makkah, Saudi Arabia

### Experience

**Trainee | professional supervision program** 2024-2026

Banque Saudi Fransi

- Participating in a program by Umm Al-Qura University to prepare students for the job market, aligned with Vision 2030.

### Skills

#### Hard skills

- Programming Languages: Python, R
- Databases: MySQL
- Data Visualization: Tableau, Power BI
- Office Tools: Excel, PowerPoint, Word

#### Soft skills

- Leadership
- Teamwork
- Communication
- Critical thinking
