PROFILE

I am Lujain Abdullah Al-Qahtani, a student at Majmaah University majoring in IT (cybersecurity), currently in the Tenth level. Thanks to Allah, I have participated in numerous training courses affiliated with the university, Coursera, Cisco, and the Irtiqaa platform. Currently, I am a member of the Majmaah Innovation Club in the section Events Organization and Management department. Motivated student with excellent communication and interpersonal skills looking to gain valuable experience in a professional setting.
