Saudi Arabia

SUMMARY

Pursuing a Bachelor's Degree in Cyber Security at King Saud University, Saudi Arabia, with an expected graduation in June 2025. My graduation project includes developing hardware to protect drone communication channels from jamming attacks. My technical skills include networking, and cybersecurity tools. My soft skills include problem-solving, continuous learning, and time management.

EXPERIENCE

Despite my limited experience, I strongly desire to contribute positively to the workplace, making a meaningful impact and attaining notable achievements. I am adept at swiftly adapting to diverse work environments and accomplishing new goals.
