JANA ALJOMAIH

Information technology | Web development

OBJECTIVE

Passionate Web Developer with a strong foundation in designing and building responsive web applications. Proficient in HTML, CSS, JavaScript, Tailwind CSS, React, Flask, and MySQL. Skilled in both front-end and back-end development, with a focus on creating user-friendly and high-quality web solutions. Eager to collaborate with teams and continuously learn to stay updated with the latest industry trends.

EDUCATION

Bachelor's Degree in Information Technology
GPA : 4.62 with Second honors

King Saud University | 2021 – 2025

CERTIFICATIONS

- CSS, Bootstrap And JavaScript And Python Stack Course
- Python for Data Science and AI
- Getting Started with Enterprise Data Science

Udemy | Aug 2024

Coursera | Apr 2024

IBM | Feb 2024

PROJECTS

ConcealSafe | Graduation Project

Aug 2024 - May 2025

Developed a secure web app combining cryptography and steganography for covert communication. ConcealSafe offers dual-layer protection by encrypting messages and embedding them in media files, making them nearly undetectable. Added Multi-Factor Authentication (MFA) and Public Key Infrastructure (PKI) for secure access and message transmission. Focused on creating a user-friendly interface with support for multiple media types.

Tools used: Python (Flask), AES/RSA encryption, LSB steganography, multi-factor authentication, PKI, Jira, GitHub.

DesignMate | Interior Design Consultation System

Dec 2023

Developed an online interior design consultation system with a responsive UI for designers to showcase portfolios and clients to request consultations.

Tools used HTML, CSS, and JavaScript for the front-end, integrate backend functionality and MySQL database interaction using PHP.

SKILLS

- Strong organizational and time-management skills
- Strong enthusiasm for continuous learning and acquiring new skills.
- Expertise in creating visually compelling and functional design solutions.
- Effective at collaborating with team members to achieve shared goals.
- Ability to quickly adapt to new tools, technologies, and methodologies.
- Skilled in identifying problems and developing innovative solutions.
