 Riyadh  0550480045  [shahdalsumait@gmail.com](mailto:shahdalsumait@gmail.com) 

## SUMMARY

I am a senior Information Technology student at Imam Muhammad ibn Saud Islamic University, with a strong passion for creating meaningful and positive impacts through technology. I enjoy enhancing my skills through hands-on projects and activities that elevate my academic knowledge to practical applications. I am eager to join a work environment that fosters innovation and continuous learning, allowing me to contribute to building a sustainable and promising technological future.
