OBJECTIVE

I am a final-year student majoring in Business Administration, seeking to enhance my academic and professional skills while gaining experience. Throughout my studies, I have acquired comprehensive knowledge in various areas of business, including Human Resource Management, E-commerce, Finance, and Accounting. I look forward to applying what I have learned in a training and work environment and contributing to the achievement of the goals of the organization I join.

SKILLS & ABILITIES

1. Strategic Planning
2. Time Management
3. Teamwork
4. Problem Solving
5. Financial Knowledge
