ABOUT ME

I am a dedicated Finance and Investment student with a strong passion for understanding financial markets, investment strategies, and data analysis. Currently pursuing my degree, I am eager to apply my academic knowledge in a practical setting. Through my studies, I have developed strong analytical, problem-solving, and communication skills, which I am keen to leverage in a co-op position. I am motivated to contribute to a dynamic team, enhance my learning, and gain hands-on experience in the financial industry.
