SUMMARY

A graduate specializing in insurance and risk management, with certified training in risk management and proficiency in Excel. I am seeking to launch my career in the risk management department, I aim to leverage my academic knowledge and enhance my skills to contribute effectively to the organization's objectives in mitigating risks and promoting business sustainability.

EDUCATION

Bachelor of Insurance and Risk Management
GPA 4.27

2020 –2025

IMAM MOHAMMAD IBN SAUD ISLAMIC UNIVERSITY | Saudi Arabia, Riyadh

CAREER OBJECTIVE

I am seeking a cooperative training opportunity that allows me to apply the skills and theoretical knowledge I have gained during my studies in a practical environment. I also aim to enhance my understanding of risk management techniques, insurance policy analysis, and financial risk assessment. I aspire to meet graduation requirements while enriching my practical experience and contributing to improving administrative and insurance processes within the organization.
