CAREER OBJECTIVE

As a student specializing in Insurance and Risk Management at Imam Mohammad Ibn Saud Islamic University, I am eager to apply my academic knowledge in a professional setting through a cooperative training program. I am passionate about analyzing risks, developing innovative solutions, and contributing to the stability and growth of organizations. My goal is to gain hands-on experience, enhance my understanding of industry practices, and build a solid foundation for a successful career in risk assessment, insurance strategies, and corporate decision-making. I aspire to be a proactive and dedicated trainee who adds value to the organization while continuously learning and growing.
.
