OBJECTIVE

I aim to secure a position in the field of accounting where I can apply my academic knowledge in financial analysis and report preparation. I look forward to developing my skills in a professional work environment that contributes to improving the financial performance of the organization and supports effective financial decision-making.

EDUCATION

Imam Muhammad bin Saud Islamic University

Bachelor's degree in accounting.

College of Business.

Expected graduation: 2025.

- Preparation and analysis of financial data and monthly reports.
- Monitoring and auditing accounting records to ensure their accuracy.
- Assisting in the preparation of financial budgets and annual reports.

Experiences

I was nominated by the university to participate in a training program with the General Auditing Bureau, where I worked with a team to develop an innovative project aimed at supporting accountants and auditors. The program lasted 4 days, and we focused on using technology to improve the accuracy of financial reports and the efficiency of accounting work. This experience helped me enhance my teamwork and technical analysis skills.
