---

## Profile

Motivated finance senior with a solid academic foundation and hands-on experience in financial analysis, reporting, and investment strategies. Skilled in understanding financial statements, building financial models, and using tools like Excel. I enjoy solving problems, thinking analytically, and learning new things. I'm also a team player who works well with others. Currently, I'm seeking a COOP training opportunity to gain more practical experience and develop my skills further in the field of finance.
