

Osama Khaled Al-Harbi

6December , 2002

Summary

- Accounting student at Imam Muhammad ibn Saud University, seeking to develop my academic and professional skills in the field of business. I have a strong background in data analysis and the use of modern technology tools such as Excel. I am looking for opportunities for internship or work in a dynamic environment that allows me to apply my knowledge and expand my skills.

Professional Experience

University projects

- I have been involved in a number of academic projects that require the use of Excel tools to analyze financial data and prepare reports.

language

- Arabic is excellent
- English is very good

Courses

- Excel Spreadsheet Course [Droop Platform]
