PROFILE

I am a senior finance student specializing in finance and investment, with a strong interest in financial management and technology, especially in payments and asset management. My analytical skills drive my passion for financial analysis, and I am eager to learn and develop my skills in various aspects of finance. I am looking for a cooperative training opportunity starting March 2, 2025, and ending on June 19, 2025, but I am flexible and open to beginning earlier to align with the organization's goals while enhancing my skills and knowledge
