جامعة الإمام عبدالرحمن بن فيصل
IMAM ABDULRAHMAN BIN FAISAL UNIVERSITY

المملكة العربية السعودية
Kingdom of Saudi Arabia

College of Computer Science and Information Technology | كلية علوم الحاسب وتقنية المعلومات

Respected General Authority for Statistics

Practical training is an important step for refining students' scientific knowledge and contributes to enhancing students' practical experience of practicing their duties towards community service. Graduation requirements include a practical training program during summer, starting from <u>22/06/2025</u>, for <u>8 weeks</u> not including holidays

As part of the cooperation between the College of Computer Science and Information Technology at Imam Abdulrahman Bin Faisal University and government and private sectors to provide the opportunity to train and qualify students scientifically and practically to achieve common objectives, we hope that you can accept the student, his/her details shown below, to get the best training opportunity in his/her field of specialization and provide us with the Training Plan and inform us if the application is accepted.

Student Name:	Nawaf Ali Almatrafi	**Student ID:**	2210002176

Please sign and stamp the letter and send it with the Training Plan to the Cooperative Training Unit email: training.ccsit@iau.edu.sa

Dr. Khalid Alissa
