To Whom It May Concern,

I am writing this reference for Saud Mohammed Mohammed Alqhtanie ID: 436805140, a student/colleague I was fortunate to work with during his studies in Mathematics at King Khalid University. He was my student in “Calculus III”. I have watched him grow into a passionate and knowledgeable graduate.

A natural in the classroom, Saud has worked on different topics in Mathematics in both inclusive classrooms as well as individually, focusing on his special needs in reading and writing. He may need some help at the beginning but after he is able to independently fill gaps very quickly.

Saud is a patient and compassionate student and is the ideal candidate for a postgraduate position in any MSc or PhD program. Please feel free to contact me with any additional questions you may have regarding him; email, maltenji@kku.edu.sa or maltenji@gmail.com.

Sincerely,

Dr. Mohammed Al Tanji
Assistant Professor
Department of Mathematics,
